Tell Me All The Ways (Deri. E.B. Browning Sonnet)

Stephen Pearson

Lyrics (under the staves):

1. When first my heart met you, 'Twas then I think I knew that I loved you.
2. When-ev-er we're a-part, I feel it in my heart-- How I love you!
3. As you stand by me, You're my mel-o-dy, And I love you.

Ev-er since that day, my heart has had its way as I loved you.
Strong though I may be, you're such a part of me. And I love you.
Our souls linked as one, Joined like sky and sun. How I love you!
